ABOUT ME

Independent Front-end Web Development enthusiast looking for an internship or junior position. At the moment learning React JS.

WORK EXPERIENCE

Browser Automation Leader

Convert AI / Cataclysmic Conversions [24/07/2019 – 01/11/2020]

As *Browser Automation Leader* I automated different processes in the company outside the scope of just web browsers. Main goal of the project was full automation of our lead generation funnel, using Javascript Selenium extensions (*UI Vision*), applications like *Airtable*, *Zapier*, other browser automation tools, as well as desktop automations tools (*Macro Recorder*), all in combination with Javascript, HTML and CSS.

Guide/translator

Joint Network for International Volunteers [20/06/2015 – 20/06/2016]

Guide and translator for students from Japan coming to Serbia. We did tours in Belgrade and, if needed, other cities (in case of cities other than Belgrade I worked as translator and managed transport, accommodations etc.).

EDUCATION AND TRAINING

Professor of language and literature (Japanese language, literature and culture)

University of Belgrade, Faculty of Philology [2013 – 2018]

JavaScript, jQuery, ES6 Certificate Program (3 Months Program)

TNation Akademija [02/2019 – 05/2019]
